Notice to the agent is notice to the principal and Notice to the principal is notice to the agent. City of is a subdivision of, county of is a subdivision of, state of is a subdivision of US inc in all of its forms.

It was the original intention to just obtain the documents needed to comprehend the issues. However, when accompanying the members of the Beaverton Oversight Committee, to meetings of the city council; addressing many issues on the public record and with public records requests and demands and FOIA documents!. We find that the named defendants have all been encouraged to self correct and choose not to. Our interacting with assorted employees of the various corporate governances and unproven courts of record with unproven jurisdiction: it becomes necessary to add this affidavit of truth to this case. Others to be included.

THE CLAIMS by affidavit of truth Ronald Charles Vrooman: I filed into this court with a server as witness present.

The chain of events goes like this. A group of we the people gathered at the city council's meeting at city hall. We put in a form to speak. I was given the floor.

Following a script under the rules of the meeting and the charter from the Oregon state. We the people did under due process form the Beaverton Oversight Committee on the record of the city councils meeting. It was proposed, made a motion, seconded. The vote was called and there were aye or votes for and non against. The Beaverton Oversight Committee was lawfully constituted.

The committee has attempted to meet, with the city manager and were excluded from the building by cops, two un indicted cop employees at this time. The committee registered with the Oregon Secretary of State obtained a Fed ID # and a bank account and invoiced the city several times and sent statements also. We were denied due process.

We lawfully formed our committee and at a public city council meeting, we concluded the forming and the costs were presented to the council. That is a lawful contract, made within the charter's conditions. The only authority to change the charter is by we the people.

We are conducting an ongoing RICO investigation of 1. The building housing the court and cop shop on Griffith is with clouded documentation and fraud and due process violations are suspected. The title shows Beaverton City; the deed on the next page shows City of Beaverton, the President of the land company selling the property was a former Mayor. FOIA and public records demands/request go un-answered. However emails from Carla go without proof.

Breach of contract is a claim at this time. Other claims and persons may be added as we decide.

Remedy: To pay back fees to the committee's members Ron Vrooman. Richard Koenig, Kambiz Moradi, Ross Abordokaninau into a trust for distributions needed to perform the committee's functions. Then start an equitable coexistence within law and equity, by fulfilling the agreement..

ORCP20A; Clearfield Doctrine; Accardi Doctrine; ex Parte Young; ex parte Milligan are all specifically called into this case. They are all governing law.

Claim: These persons on their records have denied we the people of the Beaverton Oversight Committee remedy by due process violations and failure to abide by governing law.

Claim: File on demand, as there is no fee for a man to obtain justice in a court. This has been denied and cases dismissed because I refused to be denied access to governing law. This fee has been collected and will not be reimbursed or refunded.

Claim: Each court previously listed has been challenged to prove their jurisdiction, in writing, into the record and not one has followed governing law or defaulted, no judge or magistrate has responded either, legal fictions, color of law. They have jurisdiction over the corporate governance, US citizens and attorneys but not me until proven. This is a violation of governing law.

Claim: A right cannot be converted to a privilege to my detriment; this has been done to me. This is a violation of governing law.

This is where many start quoting case law. As I have quoted case law in several cases, many if not all cases in law, and it has been ignored. I will wait to quote more case law. Look it up yourself. This is sufficient to start this case, I need only one claim.

Each person listed has many claims against them and to list them all here is a waste, as the transcripts and records filed into each case D144354M and UC 7945181 and the city's public records, they will provide incontrovertible facts, be the evidence for this case. Read the case, read the governing law, it is obvious to the jury. I am guaranteed Article III, 11th and VII amendment court, which has proven to be unavailable as guaranteed. Hence we file into Equity.

I do legal not lawful and this is my best effort. If my work is deficient please notify me. My status is filed as fact: The right to expatriate is among those we all have. I have done so and filed it into the public record with city of Beaverton, and as a paper into the Beaverton Municipal Court in UC 7945181, and Federal District Court. It is not challenged, so it stands as fact. I am an American state national, a non US citizen; I am on Oregon; I am the trustee of a PMA in the name RONALD CHARLES VROOMAN; I am a flesh and blood man without mala in se crime; I am not in commerce with the state of Oregon; I am without the state of Oregon; within the united States of America. My status is defined and acknowledged in the public record and two courts of recorded, un-rebutted and stands as fact. Therefore, are we

91 dealing with governing law?? Please remember I am not subject to your rules, codes,
 92 and statutes. You are, as determined by SCOTUS, that's governing law.

93 Each court and person listed has 21 days from service date to answer the claims and provide
 94 notice of intent to defend or default or be in default. This court has 90 days to start the trial, 21
 95 days to prove jurisdiction or default with the same penalties.

96 The courts have jurisdiction over the corporate governance entities, inferior courts and BAR
 97 attorneys and US citizens that don't know better. But not we the flesh and blood people on
 98 Oregon, until proof of jurisdiction is filed in writing into the record of the court in each case,
 99 including this one. The Supreme court claims jurisdiction in the Constitution! I deny the claim,
 100 therefore, they must provide the proof in writing. Therefore, they can comply; all except me and
 101 the additional plaintiffs/party for named are persons of the corporate governance...

102 A default is acquiescence to the charges and proof of desire to settle by finding against my
 103 convictions in both D144354M and UC 7945181. This filed document and a calendar are
 104 sufficient to demand and to obtain; from this or any federal district court an order to dismiss the
 105 convictions forever, to be so ordered by this or any federal court within 10 days or not my
 106 choice, from default date and to be enforced by the United States Marshal Service within 20 days
 107 from default date, at my behest....

108 A default is also sufficient proof to demand that 18 USC 3571 due process has been violated and
 109 a penalty of 250,000.00 dollars in silver or the exchange rate in Federal Reserve Notes on the
 110 default date. To be paid to Ronald Charles Vrooman and others to be identified by claim in the
 111 future; by each court and person in default or their bond or risk management insurance within 10
 112 days of receiving the order from a court or be in contempt of this or any federal court and
 113 prosecuted within 10 days... To be so ordered by a court within 10 days from default date and to
 114 be enforced by the United States Marshal Service within 20 days from default date or be in
 115 contempt of this court and prosecuted within 10 days; at my behest...

116 Without equivocation, mental reservation or secret evasion is required of all named here and
 117 acting in this matter. No color of law or legal fiction.
